VISION AND MISSION

In keeping with the evangelising Mission of the Catholic Church St. Michael’s is a Catholic School which:-
• Is committed to Jesus Christ and his Gospel;
• Knows and celebrates our Catholic faith tradition;
• Educates the whole person: body, spirit, heart and mind;
• Promotes education in the service of a better world;
• Provides our children with reasons for living, hoping and loving.

St Michael’s is committed to being:
• Centred on Christ and the sacramental life of the Church
• Living Gospel values according to Church teaching
• Working to foster the growth of the Kingdom of God on Earth
• Learning about and living our Catholic Faith while respecting the faith traditions of others
• Demonstrating the relevance of faith to life and contemporary culture
• Emphasising the importance of prayer, both personal and formal, and fostering this through daily prayer for staff and children.
• Striving to live the Gospel values and showing our commitment to these values through a community learning, loving and serving each other.

a community of faith

a community of learning
• Helping students to find and nurture their gifts and talents
• Providing a comprehensive curriculum of quality and challenge for all
• Valuing effort, achievement and excellence in learning
• Respecting competence and dedication in the staff
• Modelling the integration of Catholic Faith and learning
• Using technology to enhance teaching and learning
• We endeavour to broaden the children’s horizons so as to fully prepare them for life and enable them to take their place in society.

a community of care

a community of service
• Welcoming and including students and their families
• Respecting the dignity and uniqueness of each student
• Providing a safe, secure and stimulating environment conducive to learning
• Ensuring fairness and justice within appropriate discipline structures
• Promoting self esteem and critical thinking in students
• Complementing and supporting the role of parents
• Working in partnership with priests and the parish and local communities
• Promoting outreach to the poor and disadvantaged
• Modelling and promoting use of each other’s gifts for the benefit of society
• Encouraging an attitude of stewardship to all creation
ST MICHAEL’S PRIMARY SCHOOL

St Michael’s School is a co-educational primary school catering for children from Kindergarten to Year 6, and is part of the Catholic education system of the Wagga Wagga Diocese.

St Michael’s School is a Parish School and is under the direction of the Parish Priest. The Catholic Schools Office, through a lay Principal, administers the school with the assistance of other lay teachers and staff.

SCHOOL FEES

School Fees pay for classroom materials including texts, stationery, art supplies and teacher resources. Fees also contribute to the general running costs of the School. Parents having difficulty paying School Fees can make contact with the Principal or Parish Priest to negotiate special payment arrangements.

Other major sources of income include the Parents and Friends Association and the local community. The P & F have purchased such items as the latest technology for classrooms, watering system for the grounds and reading materials for children.

The Catholic Schools Office through grants provides funding for wages for the staff of the school from the Commonwealth and State Governments.

THE CURRICULUM

The curriculum of the school is based on the Guidelines and published statements of the New South Wales Department of School Education and the Board of Studies. The Diocese of Wagga Wagga is registered with the Department to conduct schools and St Michael’s undergoes regular inspections to ensure standards are maintained. The children are taught under the following Key Learning Areas (K.L.A’s):

- Religion
- Mathematics
- English
- Human Society and Its Environment
- Science and Technology
- Creative and Practical Arts
- Personal Development, Health and Physical Education

THE SCHOOL PRINCIPAL

The School Principal is a teaching Principal available for contact 9.00am – 1.00pm Monday and Tuesday, 11.00am – 1.00pm Wednesday and Thursday & 9.00am – 3.00pm Friday. For appointments please ring first.

TEACHERS

The best time to contact teachers is before school or immediately after school. During the day teachers have duties but usually can be contacted during Recess and Lunch as well. Please ring for an appointment.

THE SCHOOL SECRETARY

The school secretary is available to help with difficulties or information from 8.30am – 3.15pm, Monday to Friday.

If assistance is needed at other times please do not hesitate to contact the Principal or other staff members. If possible, please contact outside class teaching time unless it is an emergency.
SCHOOL HOURS AND SUPERVISION

CLASS TIMES:  
9.00AM – 11.00AM  
11.25AM – 1.00PM  
1.45PM – 3.15PM

HOURS OF SUPERVISION  
8.30AM – 3.30PM

RECESS  
11.00AM – 11.25AM

LUNCH  
1.00PM – 1.45PM

Playground supervision will be provided during the ‘Hours of Supervision’ times listed above. At other times there will be NO teachers rostered for playground supervision.

LUNCHES

Children are able to order lunches each day. These orders are collected and delivered by Barty’s Cafe. Parents are asked to complete an order at home and send it with the child to school.

LIBRARY

The children have access to the school library. Classes have a weekly borrowing period, and formal lessons on Library Skills each week. There is also use of the facilities for research and other curriculum needs.

Students visit the Coolamon Library

SPORT

St Michael’s children participate in various sports programmes. The children participate in Swimming, Softball, Football, Netball, Gymnastics, Soccer, Volleyball, Cricket, T-ball, Athletics, Touch football, Cross Country running and other sports. The children are divided into two sports teams for internal activities and annual swimming, cross country and athletics carnivals are conducted. They are Fatima (White) and Lourdes (Green). The children have the opportunity to represent the school in sporting competitions by participating in Deanery and Diocesan Carnivals. As a result they then have the opportunity to progress to Inter-Diocesan and State P.S.S.A. Carnivals.
SPECIAL NEEDS

At St Michael's Primary School we believe children have their own individual educational requirements that need to be met by the classroom teacher. In some cases special programmes are provided for students. These include:

MINI-LIT PROGRAM
This is an evidence based, effective program designed to teach reading in a systematic and explicit way. It is designed for K-2 and teaches the basics of letter-sound knowledge and decoding skills for CVC words. It extends word attack knowledge by teaching commonly used digraphs and longer words.

SENA NUMERACY ASSESSMENT
This program aims to help teachers identify and provide support for students in the age range 6-9 years experiencing learning difficulties in the area of numeracy. Early intervention is the primary focus of the program.

GIFTED AND TALENTED
Children may prove to be exceeding their stage of learning and therefore need extension into the next stage or beyond. These children are catered for in the mainstream classroom with the teacher providing work at a more challenging level.

QUICK SMART LITERACY & NUMERACY
QuickSmart is a 30-week intervention program aimed at middle school students whose numeracy or literacy outcomes are below minimum standards. QuickSmart is designed to enhance a student's fluency in either literacy (reading and comprehension) or numeracy by improving their information retrieval times.

TECHNOLOGY

St Michael's places heavy emphasis and priority on the provision and use of technology as a tool for contemporary learning. The school is connected with wireless internet throughout. Each classroom is well equipped with iPads, laptops, notebooks, desktop and chromebook computers. Students in Years 3-6 are all provided with their own individual Chromebook device to use each day here at school and the Google Ed suite of software/apps used by the school allows students (and parents) to access their work both at home and school. Students in K-2 have access to high quantities of a variety of devices and software/apps designed to enhance learning.
Additionally every classroom in the school is equipped with Interactive Whiteboards and Data Projectors.
The school also has comprehensive media equipment tied to technology. This includes digital still and video cameras and associated software that the children use as part of classroom activities.

TARGETED MATHS TEACHING INITIATIVE
St Michael's has a dedicated “Targeted Maths” teacher who works with other staff and students to enhance the teaching of mathematics at St Michael's. The role of this teacher is to improve student outcomes in maths across the school. This is a system wide initiative funded by the Catholic Schools Office of Wagga Wagga.

MUSIC & BAND INITIATIVE
St Michael's offers subsidised lessons to allow interested students from Year 2 and up to learn a musical instrument. Additionally, as part of the classroom curriculum staff are trained in the a3 Music Program to enhance the teaching of music. Once again this is a system wide initiative funded by the Catholic Schools Office of Wagga Wagga.

JEWELLERY, LONG HAIR

It is requested that students with long hair have this tied back in some suitable way and that jewellery be kept to an absolute minimum. Hair should be neat and tidy and not extreme in cut or colour. All hair shoulder length or longer must be tied back. This applies to both male and female students. Boys and Girls with pierced ears can wear only sleepers and studs. Boys and girls may wear watches. Finger nail polish is not permitted.

ABSENCES

It is essential that all children who are absent from school for any period of time, this includes dentist and doctor’s appointments, provide a signed note from parents explaining the absence. This is a requirement to ensure staff know the whereabouts of the children for whom they are responsible and the accurate keeping of class roll which may be called into a court of law.

In the case of a student being away, if the school does not receive an explanation from parents or guardians within 14 days of a student’s absence we are required to mark this down as an unexplained absence. A letter will then be sent home requesting an explanation to be provided. The absence will remain recorded as unexplained, however.

If students need to be absent from school for five or more days they now need to obtain approval from the Principal and complete an Exemption to Attend School Form to be approved by the Principal. This has been put in place by the government and we are required to commit to this procedure. Forms are available at the front office. If approval is not given or sought from the Principal, students will be marked as an unexplained absence.

NEWSLETTER

The weekly newsletter will be distributed to all families each week on Tuesday via email. Families who nominate to do so can receive a paper copy of the Newsletter each week.

From time to time it becomes necessary to send other notes home during the week to inform parents of other activities. The school also maintains a Facebook page which can be found at https://www.facebook.com/stmichaelscoolamon?ref=hl

REPORTS

The staff prepares and distributes reports on each child’s progress at the conclusion of Term Two and Four each year. These reports are an indication as to the performance of the individual child in regards to their achievement and efforts.

At the conclusion of Term Two, parent-child-teacher interviews are held. This short interview is an opportunity to discuss any matters, particularly in light of the reports that each family would have received. These meetings are important and should not be missed. The option for meetings between parents and teachers is also given at the end of the year if necessary.

Staff are also available to speak to parents out of class time whenever a need arises. These alternative meetings may be either parent initiated or teacher initiated.

MEDICATION

Our First Aid Officer is prepared to administer medication to students if requested by the Parent provided the medicine and dosage instructions are given. No other medication, such as aspirin etc., will be given to the students without the parents requesting it.

Mini Matilda’s Gala Day

Police Liaison Visit
Our Kindergarten school entrants come with a variety of skills, attitudes and expectations. These will always be recognised and respected. It is both an exciting and daunting experience as they meet new challenges and routines, develop and maintain friendships and “ease” into school-life.

To assist your child’s entrance and on-going participation it would be greatly appreciated if he/she could manage:

- to bring
  - a library bag (provided by the school at the Orientation Day)
  - a box of tissues
  - well-labelled items of clothing, school bag, lunch box, drink bottle etc.
  - a pencil case containing pencils and textas

- to be reasonably independent in
  - dressing themselves
  - tying shoe-laces,
  - recognising and writing their name
  - counting to 10
  - saying the alphabet
  - knowing their colours

It would be reasonable to expect that your child has an awareness of God, our loving Father and is already able to make the sign of the Cross.

Again, we emphasise that all the children bring with them a variety of skills, experiences and abilities and the extent of these will be fully respected.
KINDERGARTEN

Best Start
Early Assessment Tool designed to meet students’ needs from their point of entry into Kindergarten. Feedback is provided to teachers and parents.

First Weeks
The first term of the school year is the time of very hot weather. We have permission to allow a variation for the Kindergarten children to be ‘eased’ into school-life.
Consequently, the following arrangements will take place. For all of February, the children stay home on Wednesdays, as this will allow a day’s recovery mid-week during the very hot weather.

Immunisation
Children enrolling for Kindergarten are required, under the NSW Public Health Act 1991, to provide an Immunisation Certificate, to the school.
This Certificate will indicate whether or not your child has been immunised for the Vaccine Preventable Diseases. If your child has not been immunised and there is an outbreak of that disease at the school, your child must remain at home for the appropriate period of time.
